As you walk in you have that open great room effect in the back and check out that deck!

Filtered view of the Port Townsend Bay but the trees and natural vegetation is so relaxing!

Looking back to the entry, powder room and spacious kitchen.

Entry to my left, looking from the opposite corner. And still cannot "see" your neighbor!

Well designed for contemporary Northwest living....Ductless heating system for the main level is efficient....

You cannot get enough of a great kitchen besides having plenty of cabinetry, workspace and.....

...more workspace and walk in pantry!

Powder Room

Hard to capture the "size" of this room so let's look closer...This is when you walk in.

The Master Bedroom is spacious with full walk-in closet and at the top of the stairs.

right), Linen closet and W/D with guest bath to my left.
Nice separation between the Master and 2 additional
bedrooms....

3rd bedroom with bay window an a nice filtered view
through the Madrona....Space-filled room..very
comfortable.
