All the work has been done for you! Clean establishment, great business and location.

Comfortable seating area outside under cover, closed on the ends....

Entrance and looking down the outdoor seating, let's step inside!

Inside and parallel to the outside seating is the indoor seating.

Baths:

Looking back from the back service area to the entrance.

Wonderful cubby hole table

Another cubby hole at the right of the entrance again, well spaced. Heating system isn't the best so the Seller just installed the 2 units, one you can see under the window for more adequate heat.

The kitchen and beyond!
